# Sixth Sense

## From the Pastor

Jesus affirmed that it is possible to be in the world in a new way, to be present to people around us with compassion, even when they are misled, fearful, and dangerous.

Our usual way of being in the world is to be anxious, to be constantly pressed and harried and worried, which immediately translates into defensiveness and fear, a determination to keep what we have, to assume the worst about those who think and act differently than we do.

In the face of this anxiety and the world's tragedy, Jesus asks us a question which doesn't require an answer because the answer is so obvious. It is the question that stops all our protests and explanations and rationalizations. Which of you, being anxious, added an inch to your lives?

It's an embarrassing question, because, of course, it is true. Being defensive and frightened and miserly has never resulted in a life that is full and grateful. But we do it partly because we don't know a better way. We do it partly because it's our habit in rich, self-satisfied America.

In response, Jesus always suggests a more excellent way, "seek the kingdom and God's righteousness." In other words, 'get your mind off yourself long enough to care; be concerned enough about the well-being of the human community around you that you no longer worry about your place and your vested interests.'

The invitation is to get involved in what makes for human happiness: nurturing others, fighting for underdogs and seemingly lost causes, making our institutions effective, cultivating relationships that are safe, loving, and mutual. Give ourselves to these endeavors, and we will no longer have to defend how it used to be or worry about what will happen to what we have.

What an invitation in the midst of the world's pain, in this season of the Spirit!

Peace!

Vincent

# SUP pickup at Sixth Church, June 19, 2022

Our next **Single-Use Plastic (SUP) pickup** at church.is on June 19. Carol and Bill Beggs will be there to collect your SUP. Please contact Bill and Carol at [Wbeggs96@gmail.com](mailto:Wbeggs96@gmail.com) so they'll know to expect you.

Here are some guidelines:

- Please wash all your SUP so that it's oil- and food-free.
- Please deliver your clean SUP in brown paper bags or cardboard boxes. Plastic bags are not recycled at Michael Brothers.
- Please write your name and what number plastic is in the container on each container you bring.
- Please leave your bags and boxes in the hallway near the parking lot door to make it easy for Bill and Carol to collect.

## WHAT TO BRING:

- Numbered Single-Use Plastic (SUP), numbers 1 to 7, which means that only plastic that has a number within the chasing arrows recycle symbol. No unnumbered and unknown SUP is acceptable.
- Please sort the numbered plastic into #1, #2, and #3-7 containers. #1 separately, #2 separately, # 3-7 all combined.
- **Plastic** bottle caps and lids are also accepted even though they don't have numbers. They can go into your #3-7 container.

## Children and Youth Updates

### Graduates

Elizabeth Sindhi is graduating from Taylor Alderdice High School and will be attending Case Western University in the fall.

Megan Sindhi is graduating from Brown University with a master's degree in data science.

*Please let us know in the church office if there are any other graduates to celebrate!*

### Fridays on the Lawn

Children, youth, and their families are invited to join us for **Fridays on the Lawn** from 6 to 8 pm on **June 17, July 22, and August 19**. Bring a blanket and gather with us on the front lawn. We will be providing some light food and beverages but feel free to bring your own picnic. There will be fellowship time and activities with an Earth Care theme. In case of rain, we will move inside following the church's masking policy.

### This Summer

Sunday school has concluded for the summer. We will continue to offer childcare for infants and toddlers and Extended Session for preschool through 3rd grade during the 10 am worship service.

# Picnic and Worship in the Park: June 5 at 11 am

We are all excited by the prospect of seeing so many of you on **JUNE 5**. The **worship and picnic site is the Rhododendron Shelter in Highland Park**. **No masking will be required as this is an outdoor event**.

As we did last summer, we are asking everyone to bring their own **PERSONAL PICNIC**.

Once again there will be **NO POTLUCK** component this year, and we will **NOT** be supplying grilled meats, plates, cups, or cutlery. This makes sandwiches seem like a good choice.

We **WILL** however, have the following items available:

- 1) Paper napkins
- 2) Cold beverages in cans
- 3) Chips in individual bags
- 4) Individual ice cream treats for dessert

Needless to say, this goes against all Earth Care Congregation protocols, but this is a special exception.

**Worship will be starting at 11 am**. If you are able, it would be good to bring outdoor chairs or a blanket. If you need to unload items, it is fine to drive down close to the shelter, but then we ask you to move your car back to the road (unless this presents mobility difficulties for you). We will provide a few folding chairs.

If anyone is in need of transportation, please let Amy in the office know by Thursday, June 2, and she will get word to the Fellowship chair. Amy can also email a map to you if you need help finding the shelter. However, the easiest way to get there is to travel east on Stanton Ave. (which intersects Highland Ave.). It eventually curves to the left (north) and continues into the park. The shelter is on the right in a very short while – and we'll be so happy to see all of you!

- Church and Community: Elder Jan Myers-Newbury asked for clarification of the chart used to disperse funds. Elder Larry Chan assured the group that the chart was useful and parts came from the guide, “Freeing Congregational Mission”.
- Worship/Reopening Task Force-Elder Pam Howe had expressed, during the W/RTF meeting on Sunday, that when Coffee Hour is reinstated, it might be good to reconsider how we go about providing “treats” as it had gotten to be quite expansive. As chair of Fellowship, Elder Jan Myers-Newbury agreed to convene a small group to discuss Coffee Hour and make a recommendation. Coffee Hour, in whatever form, will be reintroduced in the Fall.
- On More Light Sunday, May 22, 2022, weather permitting, cake will be served outside. If weather does not cooperate, arrangements will be made to take pieces of cake home.

- Rev. Kolb presented a variety of options for ordaining/installing the next group of Elders and Deacons, and to include those who were not able to be officially ordained/installed during the pandemic. If the way is clear with those involved, the Ordination/Installation will take place on More Light Sunday, May 22, and both groups will begin their tenure at the May meetings.
- As the new groups will start next month, this will be the final meeting of the class of 2021-22, which includes Kit Ayars, Carol Emerson, Linda May, Jan Myers-Newbury, and Phyllis Rupert. Many thanks for their service and thoughtful consideration of decisions made.

**NEXT MEETING:** May 25, 2022, 7 PM, in-person, unless otherwise recommended.

## Food for Thought...

"Jesus at the Gay Bar," Jay Hulme

He's here in the midst of it —  
right at the centre of the dance floor,  
robes hitched up to His knees  
to make it easy to spin.

At some point in the evening  
a boy will touch the hem of His robe  
and beg to be healed, beg to be  
anything other than this;

and He will reach His arms out,  
sweat-damp, and weary from dance.  
He'll cup this boy's face in His hand  
and say,

*my beautiful child  
there is nothing in this heart of yours  
that ever needs to be healed.*
