

JULY/AUGUST ISSUE

SIXTH SENSE

A letter from the pastor

I am so incredibly glad to be back with you all! My time away on vacation was wonderfully refreshing, and I return to you with a renewed spirit, rested, and filled with deep gratitude for our shared ministry. Summer is in full swing, and it is a joy to dive back into our life together.

Speaking of summer adventures, I have absolutely loved seeing where the Spirit—and your rubber ducks!—have been taking you. Please keep taking your ducks on your travels and sending in those fantastic photos so we can see how God is moving with you. If you haven't started yet, it's never too late to grab a duck (or print a picture of one) and lean into your new summer spiritual practice. Whether you are reading through the book of Acts, exploring centering prayer, or taking quiet prayer walks in your neighborhood, these little ducks are a great reminder that God is always with you and your church family loves you.

While our regular Coffee Shop Office Hours are taking a break for July, I am thrilled about our casual summer hangouts! Please feel free to drop in once in a while or every time:

- **A Walk in the Park:** Please mark your calendars for our next gathering on **Saturday, August 8th at 10:00 AM**. We'll be exploring a new trail together, and strollers and dogs are completely welcome to join the fun!
- **Matcha Monday:** Stop by Kyo Matcha (5864 Forbes Ave) on **Monday, July 20th between 4:00 PM and 6:00 PM**. Pop in for a quick hello or stay a while to hang out and enjoy some tea or ice cream.
- **Pub Theology:** As a quick reminder, this will launch next month on **Tuesday, August 4th at 7:30 PM**. We will meet in the upstairs area at the Squirrel Hill Cafe (catty-corner from the church). We will have a theological topic and an optional book recommendation to discuss.

I am so excited for this season of connection, exploration, and spiritual growth, and I can't wait to hear all about your summer adventures.

Grace and Peace,
Pastor Charissa

Attention! Attention! Mark your calendars, folks. **We return to our usual 11AM service starting August 23rd.** That day will be Sixth Church's **Welcome Sunday** where we give a special welcome to any newly arriving college students and other visitors from the community. There will be no committee meetings or special events that day so that we're all free to socialize in the chapel after worship. You don't have to bring anything but your smile!

Time for the CROP Hunger Walk!

Am I my brother's keeper?

Who is responsible for hunger, especially in far-off countries? As Christians, we try to take seriously that we are our brothers' keepers. How do we help? How do we not look away? Our denomination's vehicle for support abroad is **Church World Service (CWS)**.

Why is this year so important? With the loss of USAID funding, the more than 100 million people forcibly displaced around the world face increasingly dire situations. CWS teams continue to struggle to meet refugees' medical, food, shelter, and education needs – needs USAID used to help meet. Church World Service also continues to advocate for refugee and asylum relief here and abroad. Food security is also an increasing problem locally and overseas. Church World Service works with communities to address food insecurity, by helping families access nutritious food. Assisting communities to develop sustainable food access in the context of global climate change is a focus of Church World Service.

How can we help? One way is to support the annual CROP Hunger Walk, sponsored by Church World Service. Sixth Church is a long-time CROP champion! We will have a team of walkers this year, and donors are encouraged to support their efforts.

Here are the details:

Pittsburgh East CROP Hunger Walk Sunday, October 11, 2:00 p.m.

Walk begins and ends at Waverly Church, corner of Forbes and Braddock. There are two walk lengths (1.5 or 4 miles) to accommodate all walkers.

When you make a donation, where does the money go?

75% goes to Church World Service, where the programs focus on immediate hunger needs but also on sustainable development – providing seeds, baby chicks, or wells – with instructional support. 25% remains local, where it will support the hunger programs of Wilkinsburg Community Ministry (WCM). WCM currently provides needed nutritional support to over 5,000 households in our area. These are our neighbors. You or someone supporting you as a walker may be able to double the value of a donation to the CROP Walk. Some employers will match the contributions of their employees. For example, Google is a corporation that does this.

The General Assembly Adopts Overtures on Israel/Palestine with Sixth's Support

Tom Twiss

During the last week of June, the recent General Assembly of the PC(USA), with the support of Sixth Presbyterian Church, passed two powerful overtures related to Israel/Palestine. One overture enacted divestment of the denomination from two major corporations. Another explicitly condemned as genocide Israel's assault on Gaza since 2023.

In 2023 Sixth's Justice Team (the earlier incarnation of the Peace and Justice Working Group) voted to recommend that Session support for an overture [On Engagement with General Electric and Palantir Technologies, Inc. for Possible Divestment](#). The overture rationale noted the repeated involvement of the products of the two companies in military assaults and human rights violations in Yemen, China, and the U.S.—but especially in Palestine. The overture called for the PC(USA)'s Committee on Mission Responsibility Through Investment (MRTI) to begin focused engagement with General Electric (GE) and Palantir Technologies, Inc. that could result in divestment. Our Session and the Session of Valley View PC were two of the first sessions in the U.S. to support this overture, and the Pittsburgh Presbytery was one of many presbyteries to endorse it. The overture was approved unanimously by the 2024 General Assembly. Subsequently, following two years of attempted engagement, MRTI [called upon](#) the 2026 GA to divest from Palantir and General Electric Aerospace (one of the three companies created by a division of GE in 2024). On Monday June 29, that recommendation was approved unanimously by the General Assembly.

Another initiative considered at Sixth was an overture [On Recognizing that Israel has Violated the International Law Prohibiting Genocide](#). The overture called for recognition that Israel's war in Gaza, perpetrated with U.S. support, constituted genocide; directed the church to lobby Congress for an arms embargo against Israel; and encouraged Presbyterians to boycott Israeli products until Israel complies with all international human rights laws, including the prohibition of genocide. Sixth's P&J Working Group endorsed this overture in the fall of 2025, sending it to our Session where it was approved unanimously. After Valley View PC also supported it, the Pittsburgh Presbytery became one of several presbyteries to endorse it.

The relevant committee of the PC(USA) and the General Assembly subsequently amended the overture to read that Presbyterians should refrain from buying products of Israeli companies “whose work and/or products contribute to violations of international laws concerning genocide,” condemned “unequivocally all attacks by all parties involved in this conflict,” condemned “unequivocally the ongoing assault by Israeli settlers on Palestinians in the West Bank, “ and condemned “unequivocally the Israeli military's targeting of

Palestinian children in Gaza, East Jerusalem, and the West Bank." After a former moderator of the PC(USA), the Rev. Dr. Fahed Abu Akel, [spoke movingly in favor of the overture](#) on Tuesday June 30, it was approved by a vote of 454 to 15.

A final overture we did not have a chance to discuss at Sixth was [On Affirming Kairos Palestine II: A Moment of Truth: Faith in a Time of Genocide](#). That overture affirmed that the [Kairos Palestine II document](#), published by the Palestinian Christian Ecumenical Initiative in November 2025, is “a prophetic cry from our Christian siblings in the Holy Land,” and it commended Kairos Palestine II for study and prayerful engagement in all PC(USA) congregations, presbyteries, and theological institutions. That overture was adopted by a vote of 447 to 21.

People might be interested in seeing some of the articles on these overtures that have already appeared on the websites of [The New Arab](#), [Religion News Service](#), [Democracy Now](#), and the [Council on American–Islamic Relations](#). Thanks and congratulations to the P&J Working Group and our Session at Sixth for their continuing and prophetic work for peace and justice!
